# TURTLE CROSSING SIGN CONTEST 2021

**We want your turtle crossing awareness design!**

Hi, we're Project Terrapin from the Marine Academy of Technology & Environmental Science. You may see us working on your road during the summer! We are sponsoring a diamondback terrapin (turtle) road crossing awareness contest along with the **Stafford Township Green Team**. More specifically, we will be selecting a winning sign design and use the winning design to produce lawn signs for residents to display in areas where diamondback terrapins cross roadways to nest. Contest information is on the right hand side including submission information.

***This contest is open to all grade levels and the  
deadline for submission is April 30, 2021***

***The winning design gets Project Terrapin Wear!***

**Stafford Township Green Team**
