

**Stafford Township's
Arbor Day Scavenger Hunt:
Native Plants of Stafford & New Jersey**

Download iNaturalist app on your smartphone!

Submission Requirements:

Observations are due by midnight on the last day of the scavenger hunt. Observations made using iNaturalist are automatically submitted. Participants who prefer not to or are unable to use iNaturalist may submit their observations (labeled photographs) to arborday@staffordnj.gov with the title "2022 Scavenger Hunt".

Prizes:

All participants that complete the hunt will be entered into a random drawing for the chance to win 1 of 20 \$50 gift cards. Observations will be verified and prize winners will be contacted to arrange for prize collection.

Checklist (Identify at least 12):

Atlantic White Cedar
Eastern Red Cedar
Holly (American)
Dogwood (Silky, Flowering, or Redosier)
Beach Plum
